

B2S students are...	Respectful	Responsible	Safe
Walking to and from school	Follow instructions of the adult leader. Outdoor voices ok, no yelling.	If you drop trash, or part of your lunch, pick it up.	Stay on the sidewalk. Keep your hands to yourself. Stay with the group.
Lesson time	Listen without talking, while eating.	Do your best to keep Bibles and papers clean, and food on your tray or in your mouth.	Stay at your table unless called on to help with the lesson.
Small group time	Listen to your small group leader. Listen to what your classmates are saying.	Put your best effort into activities.	Stay at your table unless you are given permission to go to the bathroom or somewhere else.
Worship time	If you don't want to sing, you may sit quietly at your small group table.	Do your best to sing and follow the song's motions.	Stay in the area of the room where the group is worshipping.
