KEN BEVEL ASKS, “WHAT WILL YOU DO?”

On March 22, over 300 people gathered in-person and online to celebrate what God is doing through Bible2School. We were blown away by the overwhelming interest by our sponsors to invite new friends into our ministry by inviting them to the event. We had the privilege of introducing many new people to Bible2School and God was definitely moving that evening!

Kori Pennypacker, CEO, shared how we’ve seen kids impacted by the pandemic and WHY they need to hear Biblical truth now more than ever. Kids are asking deep questions, and we are pointing them to the truth! God’s voice of hope continues to be heard by these children through Bible2School.

Our guest speaker, Ken Bevel, is currently an Associate Pastor at Sherwood Baptist Church in Georgia, but is most known for his roles in the inspirational movies Fireproof & Courageous. Ken challenged us by asking, “What will you do to tell others about Christ? What has God blessed you with that you can use for His kingdom?” He also shared his testimony that brought him where he is today with his faith — and it’s an amazing story! Ken’s inspirational story can also be heard on our podcast, You CAN Tell The Children.

To end the evening, guests were blessed with a moving Godstory video from two young girls who were greatly impacted by Bible2School. Check out our YouTube channel to watch Ivy & Abigail’s amazing story!

Thanks to the generosity of our amazing donors, the event surpassed our goal and raised an amazing $203,240. We are so grateful that we can continue toward our vision of bringing a Bible2School program to every state!

2023 FUNDRAISER EVENT — BIGGER VENUE
Due to popular demand, more seats are needed for our 2023 Celebration Fundraiser Event. So, we’re going bigger next year — with a bigger venue to accommodate our growing team of supporters to further our mission, the Great Commission in our public schools. Stay tuned for details, you won’t want to miss this event and the exciting speaker we have lined up!
TURNING WORRIES INTO HOPE — ONE CHILD AT A TIME

At Bible2School, there are three questions we hear most often from children — and they are deep life questions that all point to God’s Word!

Where did I come from?
What’s my purpose?
What happens after I die?

Over the past two years, these questions have been even more important for us to answer! Our volunteers have recognized that kids are asking more serious questions about fear, death, and evil. But, we have the unique opportunity to turn their fear into HOPE. Our volunteers are shifting their deep questions of fear into thoughts of hope, love, and truth by teaching them about God’s Word and the gospel message!

As followers of Jesus, it’s our job to make sure the kids in our community know about Him. **Can you or someone you know help be the hands and feet of Jesus by volunteering just two hours a week?** Check out our website to learn more.

HELPFUL RESOURCES

Life is busy and time is precious. Since we are experts in engaging children with the Word of God, we want to help equip parents and caretakers to do the same by providing helpful resources.

In July of 2021, we launched our **You CAN Tell The Children podcast**. Since the launch, we have seen amazing audience growth in over 11 different states. In the beginning of 2022, we launched **TWO NEW RESOURCES: our Blog and our Bible2School At Home activities**. These helpful and relevant resources are setting the stage for national growth! **PROGRAM SPOTLIGHT - BIBLE2SCHOOL PENN MANOR**

One passionate Mom had a vision — she wanted to bring a Bible2School program to every elementary school in her local school district of Penn Manor, located in Lancaster County, PA. So, she reached out to Bible2School to help her get a program started in the elementary school where her kids attend. Not only did she want this for her own children, but she saw the importance for ALL kids in her community.

After telling her friends and spreading the word about the program, Bible2School programs were offered to two more Penn Manor elementary schools this year and they are planning a 4th for the 2022-2023 school year.

The success of this program has been amazing to see! Thanks to God's perfect timing, one dedicated and passionate mom built an incredible Community Team to support the program, so that many children will be able to hear Biblical truth DURING their public school day.
