FROM OUR CEO

Dear Friends,

It is with great pleasure that I share Bible2School is expanding and elevating voices of truth in a culture that is rapidly moving away from God’s Word. We are blessed to have legal tenets surrounding release time programs such as ours that offer classes to children attending public school during the school day, reaching children who have not yet heard about Jesus. In fact, this year a record-breaking 60% of the 1,300 children in our programs were not regularly connected to a church, and yet they all came with deep spiritual questions they couldn’t ask anywhere else. Those children had biblical truth shared with them by over 325 volunteers, who gave over 16,250 hours of service this year! Bible2School would not happen without them.

As you review our program and financial stats, you’ll notice the emphasis we give to serving and expanding our programs to reach more children by offering more classes and in turn impacting more schools by elevating voices of hope. Making Bible2School programs available through a subscription-based model starting in 2017 was a pivotal point in the trajectory of our expansion. When you invest in our mission, you are part of the team teaching truth and inspiring hope for ALL our children who will hear about God through a Bible2School program. Your generosity has positioned us to grow our impact for God’s kingdom even further in the coming years.

2021/22 has been an incredible year for expanding our voice of hope with some new initiatives. A National Prayer Warrior Team has been launched to strategically pray for the expansion of Bible2School into their state. And we are now offering a podcast, blog, and Bible2School At Home Resources to engage with highly engaged parents who want to bring Bible2School to their children’s public school.

In the following pages, we are excited to share with you how God has been moving through our ministry. God’s voice of Hope is being heard by children through Bible2School and lives are truly being changed. We can’t wait to see what He has planned for us next.

Thank you for joining us in this Kingdom work. We are so grateful for you.

GODSTORY: IVY & ABIGAIL

Ivy didn’t know that Abigail, her 3rd grade classmate, had been praying for her — praying that she would come to know Jesus and that He would impact her life in a big way.

Ivy decided to sign up for a Bible2School program because a friend of hers was participating and she didn’t want to miss out on spending time with her. At that time, Ivy didn’t know who Jesus was and wasn’t attending church. The day Ivy showed up to Bible2School, Abigail was thrilled. Maybe her prayers were coming true!

Ivy enjoyed Bible2School, especially the fun crafts and activities, but she was particularly moved by one particular lesson on the CBAs (Confess, Believe, Ask). God was speaking to Ivy through the gospel message! During that small group discussion, Ivy accepted Jesus into her heart. Abigail’s prayers DID come true!

“I asked God to be in my life forever.”

When Ivy heard that her Bible2School program would soon be ending for the school year, she knew she needed to find a new way to keep learning about Jesus. She asked her Grandma if they could start attending church. A few weeks later, both Ivy and her Grandma made the life-changing decision to get baptized.

This is just one example of the many Godstories we hear at Bible2School. God is working through our ministry to not only touch the lives of children, but also their families. In fact, 15% of parents have shared that they started attending church because their child attended a Bible2School program. God is good, and works in such amazing ways!

**Vision**
That every public school in our nation would have a dynamic Bible program taught during their school day as allowed by national released time court rulings.

**Mission**
To teach the Bible to children attending public school and inspire hope, showing them their unique value in Christ, and to equip communities across the nation to do the same.
NATIONAL PRAYER WARRIOR TEAM!

Inspired by Alex Kendrick, Bible2School has launched a National Prayer Warrior Team. Our goal is to fill the team with at least one dedicated individual from each state to strategically pray for the expansion of Bible2School into their state! We currently have 10 states covered by Prayer Warriors and we are excited to see what God will continue to do!
EXPANDING VOICES OF HOPE THROUGH NEW RESOURCES

Beginning in July 2021, Bible2School expanded its voice by launching new channels to share and connect.

The You CAN Tell The Children podcast reached its 1-year anniversary in July 2022 and it’s exciting to share about its first year! Listened to in 45 states and 24 countries, nearly 100% of our listeners tune in to the podcast each week.

Guests such as movie producer Alex Kendrick, evangelist William Graham, Josh Enck from Sight & Sound, and other Christ-centered authors, non-profit leaders, and Bible2School teachers have lent their voices to engage, encourage, and inspire adults to share God’s word in everyday life with children in their circle of influence.

Bible2School also launched a monthly blog and Bible2School At Home Resources to share resources and tips in engaging children with the Word of God.

In offering the podcast, blog, and resources, Bible2School is expanding opportunities to engage with highly engaged parents who want to bring Bible2School to their children’s public school.

“A Bible2School child who received a gift of a Comic Book Bible on the first day of class later said “I don’t have the Comic Book Bible...I gave it to my neighbor who doesn’t know Jesus.”

“Monday is my favorite day of the week because I get to come to Bible2School!" — 2ND GRADER

“I invest in Bible2School because they are simply changing the course of children’s lives by introducing them to the Savior of the World, Jesus Christ. When kids are introduced to Jesus and make a commitment to give their lives to Him, it changes their lives eternally. It changes communities and families! Lives are being transformed through the ministry of Bible2School.”
