

# Kori is passionate about children and spreading the gospel...

...and would LOVE the opportunity to be a guest on your podcast/radio show.

Kori is passionate about the Word of God and its impact on children. This passion has grown the mission at Bible2School, the organization she serves as CEO.

Bible2School equips communities to provide free elective Bible classes to elementary school children attending public school DURING the school day.

A PUBLIC SCHOOL MINISTRY

*Kori's natural and effective leadership skills can be seen throughout her life. For many years, she was the Assistant Coach of a High School tennis team where she was able to impact teenagers. Currently, Kori and her husband, Blaine, pour love into young couples through premarital mentorship through their local church.*

*Most importantly, Kori is a proud veteran Navy wife and a thankful mother to 3 fine young men who love Jesus.*

## **Examples of Kori's discussion topics include:**

- Religious Liberties in Public School
- How to Kindly Educate Others in the Public Square
- 3 Ways Got CAN Stay in Public Schools
- Prepare Your Kids – Don't Just Protect Them – From Harmful Cultural Elements in the School System
