

LIGHT IN THE DARKNESS

On May 9, over 450 people gathered at the Wyndham EXPO Center in Lancaster, PA, and online to honor God and celebrate what He is doing in our public schools through Bible2School! We were blown away by the overwhelming response from our sponsors to invite new friends into our ministry. Many new people were introduced to Bible2School and God was definitely moving that evening!

Kori Pennypacker, CEO, shared how **numbers tell the story of how God is moving hearts all across the nation through Bible2School**. God is using Bible2School as a tool to shine light in the darkness amidst our culture. Getting the Word of God in children's hearts IS the answer to darkness — and that is what Bible2School is doing.

Our guest speaker was **Jim Daly**, President of Focus on the Family. Jim shared his amazing testimony and reminded

us that when we plant God's Word in the hearts of children, lives are changed. Jim was also recently featured on our podcast, You CAN Tell The Children.

To end the evening, guests were shown **an inspiring Godstory video about how a group of 3rd graders who attended Bible2School reacted in a**

Christ-centered way to an intruder alert during their school day. Use our QR code or check out our YouTube channel to watch this impactful story.

Thanks to the generosity of our amazing donors, **the event raised an amazing \$218,750**. We are **so grateful** that we can continue toward our vision of bringing a Bible2School program to every state!

Guest Speaker, Jim Daly, shares his inspiring story

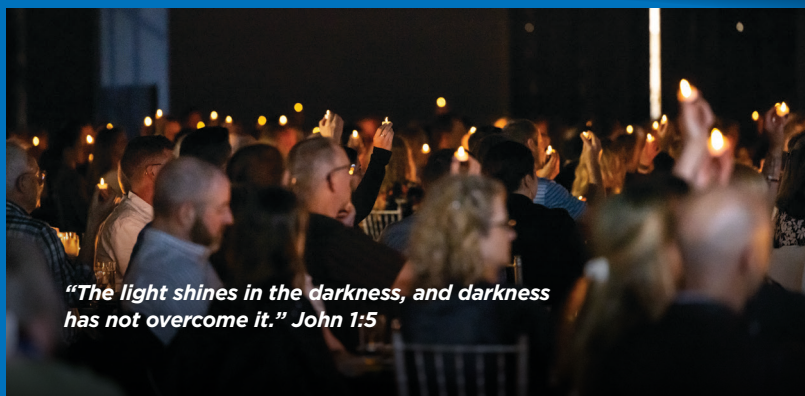

SOME PEOPLE ARE GOING TO PLANT A SEED; OTHERS ARE GOING TO WATER IT; AND OTHERS ARE GOING TO HARVEST IT. AND BIBLE2SCHOOL IS DOING THAT WORK — IN FACT, THEY ARE DOING ALL 3!"

OUR BIG VISION

We have a BIG vision, that one public school in every state would have a thriving Bible2School program and God would exponentially multiply the number of public schools/children influenced by the Gospel across the country.

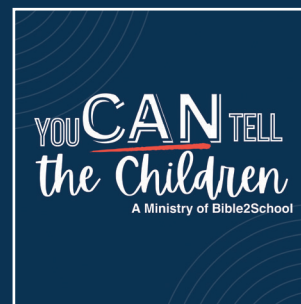

GOD WAS **NOT** TAKEN OUT OF PUBLIC SCHOOLS

So, your child attends public school. Are they comfortable sharing and defending their faith? Do they know that their faith can be part of their school day? Most would say no. It's time for truth to be brought to light and fear dispelled. Children CAN confidently bring their faith into public school — instead of leaving it at the door — and respectfully share and defend their faith.

The purpose of this FREE 22-page guide is to educate parents and caretakers on the ways their child CAN confidently live out their faith while in public school. Ready to take your next step?

The image shows the cover of a 22-page guide titled "God was NOT Taken out of Public Schools". The cover features a photo of a family walking into a school. Text on the cover includes "Put Your Child's Religious Liberties into Action", "2024", and "YES". A red circle at the bottom says "DOWNLOAD YOUR 22-PAGE GUIDE". To the left, a sidebar lists "The Benefits >>>" and "Benefits of Rele". A QR code is visible on the right side of the cover.

PODCAST

Our passion is to equip adults with relevant, fun, age appropriate, and hope-filled ways to share God's Word in everyday life with children in their circle of influence. Our weekly podcast, You CAN Tell The Children, includes various guests and topics that are sure to inspire you!

PROGRAM SPOTLIGHT - BIBLE2SCHOOL IDAHO

"I WISH BIBLE2SCHOOL WAS EVERY DAY!"

Bible2School went national when a new Bible2School program recently launched in Melba, Idaho! Melba Friends Church serves 2nd and 3rd graders attending Melba Joint School District. They have a team of 17 volunteers that serve 35 kids. Hear from Brook and Jennifer, the leaders overseeing this program:

What do you love about Bible2School?

We love that we are bringing kids to a Bible program during their school day. We believe this is the kind of effort that Christians should be taking a stand for in every community.

What impact has Bible2School had on the children you serve?

We have had 19 out of the 35 kids make a profession of faith in Jesus and 7 kids who are already on Team Jesus!!!

What's next for Bible2School Melba?

We would like to add 4th grade to our program, so we would be serving all three grades 2nd-4th grade. We consistently get reports of students excitedly asking their teachers in school if there will be Bible2School today. We also had a student tell his table leader, "I wish Bible2School was every day!"
