

CONNECTING THE WORD OF GOD TO THE HEARTS OF CHILDREN

On May 1, over 400 people gathered at Lancaster Marriott in Lancaster, PA and online **to honor God and celebrate what He is doing in our public schools through Bible2School!** We were blown away by the overwhelming response from our sponsors to invite new friends into our ministry. Many new people were introduced to Bible2School and God was definitely moving that evening!

Kori Pennypacker, CEO, shared how kids armed with a love for God and a love for the Bible can change a nation. And, Bible2School is filling a void for children who are not hearing about Jesus at church or at home.

Kori interviewed mission stakeholders to help tell the story of Bible2School: Matt Sharp from Alliance Defending Freedom, Brock & Jennifer Jessup overseeing a Bible2School program in Idaho, and Tom & Jess Daly who support our mission monthly.

To end the evening, guests were shown an **inspiring video of Johnny and his mother and how Bible2School laid the faith foundation that impacted their whole family during a time they needed it the most.** Scan the QR code below to watch their powerful story.

Thanks to the generosity of our amazing financial partners, **the event raised an amazing \$221,775.** We are **so grateful** that we can continue toward our big vision of bringing a Bible2School program to every state!

OUR CURRENT IMPACT

This year, Bible2School has served 2,861 children in 51 public schools across the nation. We currently have programs in 4 states — PA, ID, NC, TX — and are talking with people in 13 additional states about starting a program.

Our heart is to ignite a program spark in every state so that God would exponentially multiply the number of public schools/children influenced by the Gospel across the country. We can't wait to see where God will take us next!

NEW 5TH GRADE CURRICULUM

As Bible2School currently serves 2nd, 3rd, and 4th graders, we are often asked, “What happens after 4th grade?” We are excited to announce that we are expanding to include 5th grade with a new curriculum we have created, called “Foundations of Faith.” We can't wait to see how God will use this new curriculum to reach MORE children and continue to impact their faith foundation.

PROGRAM SPOTLIGHT - LAUREL HIGHLANDS

Bible2School Lauren Highlands, located in western Pennsylvania, formed 8 years ago. Since then, their team has seen exponential growth and impact. Just this year, they served 755 kids in 18 classes, with an incredible team of 200 volunteers. Hear from a few of the leaders overseeing this program:

“WE LOVE THAT WE HAVE A FRONT ROW SEAT TO WATCH GOD WORK...”

What do you love about Bible2School?
“We love that we have a front row seat to watch God work in the hearts of the students, the volunteers, and our community! It’s truly an awesome opportunity to teach children about Jesus during their school day! The Bible2School curriculum keeps the children engaged and is easy for our team to execute.”

What impact has Bible2School had on the children you serve?

“They read their bibles, pray, build their relationship with Him, and disciple everyone in their spheres. They are truly living their faith out loud because of what they are learning at Bible2School.”

What’s next for Bible2School Laurel Highlands?
“We are incredibly excited to be growing the 5th grade programs, as we helped pilot the curriculum over the last 2 years! It’s incredibly humbling to watch God grow the program and to continue to keep kids excited about learning His Word.”

WHO DO YOU KNOW?

We have a calling from God that every public school in the nation would have a dynamic Bible program taught DURING their school day. We need help expanding awareness of the opportunity for communities to bring the Bible to their local public school.

Who do YOU know that could be a catalyst for getting a program started in their community? Perhaps a passionate parent or grandparent, a retired teacher, or a church ministry leader? We are ready to equip them! Please give Kate Miller a call at 717-615-2944 or email her at katlinmiller@bible2school.com.
