

UNTIL EVERY CHILD HAS HEARD

On April 7, close to 400 attendees gathered at the Lancaster Marriott in Lancaster, PA—and online—to **celebrate what God is doing in public schools through Bible2School**. The evening was marked by a powerful outpouring of support, as sponsors invited new friends to engage with our mission.

CEO Kori Pennypacker shared a compelling message about the growing absence of Biblical truth in today's culture, posing a critical question: **How can children believe if they have never heard?** She emphasized the urgency of this moment, **pointing out that we are just one**

generation away from losing the truth of God's Word in the lives of our children and grandchildren.

Yet there is hope. Bible2School provides a meaningful way to reach children who have not yet heard the Gospel—making its role more vital than ever for this generation.

Guest speaker Sean McDowell, gifted author and communicator, encouraged attendees with a clear call to invest in the next generation, equipping and guiding them toward a lasting relationship with Jesus.

The evening concluded with a powerful video highlighting two children who had never heard the Gospel—and the **life-changing impact** it had once they did.

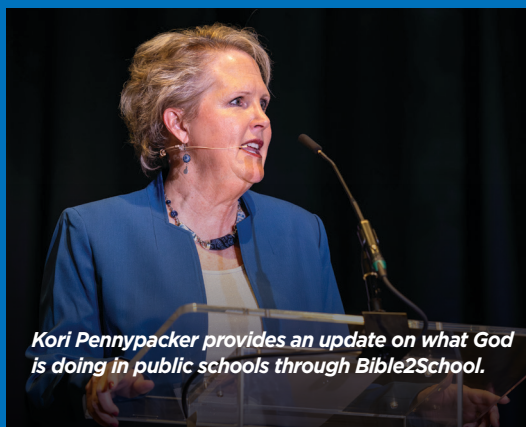

Sean McDowell challenges the guests to pour into the next generation.

Thanks to the generosity of our wonderful financial partners, **the event raised an amazing \$262,000**. We are **so grateful** that we can continue toward our vision of starting a Bible2School program in every state!

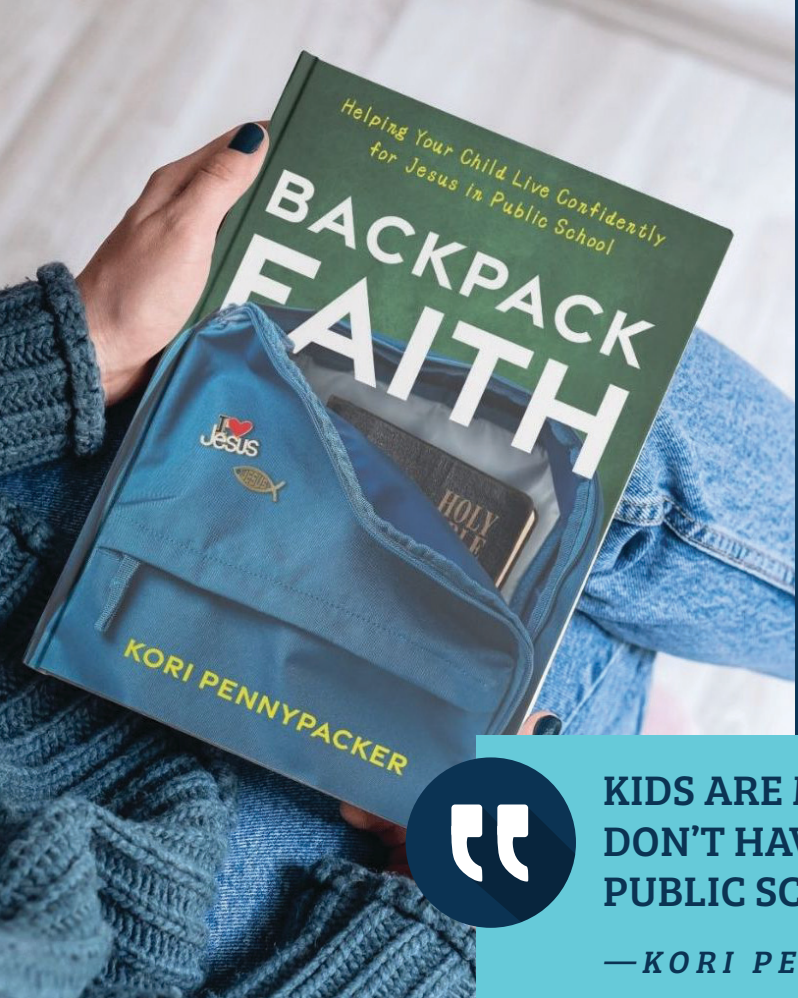

THERE'S NEVER BEEN A TIME IN AMERICAN HISTORY WHERE BIBLE TRAINING FOR THE NEXT GENERATION HAS BEEN MORE IMPORTANT AND WE'VE NEVER HAD BETTER RESOURCES AND THE OPPORTUNITY TO DO IT.” —SEAN MCDOWELL

NEW 6TH GRADE CURRICULUM

Last year, we announced the launch of a new 5th grade curriculum. God continues to stretch us, and we are very excited to share that we are now expanding again to include 6th grade! This new curriculum will equip our Members so they can offer 6th grade Bible classes starting this fall to their communities.

We can now reach even MORE children 2nd through 6th grades and we can't wait to see what God does!

PROGRAM SPOTLIGHT - ARMAGH METHODIST CHURCH

Armagh Methodist Church, located in Homer City, PA, served over 100 kids across 3 Bible2School classes this year with a team of 21 incredible volunteers. Hear from a few of the leaders overseeing this program:

What do you love about Bible2School?

"It's a great way to share biblical values and the good news of Jesus Christ with our kids and their classmates. The curriculum makes it easy to explain God's truth and to teach Bible stories that some kids have never been able to hear before coming to Bible2School."

What impact has Bible2School had on the children you serve?

"We have about 50% of students who do not attend church regularly, so Bible2School is likely the only time they are being taught lessons from the Bible."

This program brings great joy to the kids who attend. They love the lessons and the volunteers who spend time with them."

What's next for United Bible2School?

"Next year, we will start teaching the 4th grade Discipleship curriculum for the first time. We hope to continue to reach kids who really need to hear the Good News!"

Can you share a special story that stands out to you?

"This fall a parent sent us a video of a hallway display in our elementary school where 3rd graders were prompted to write what they were thankful for. Almost every single essay mentioned how that student was thankful for God, and it really showed us the impact this program can have on the culture of our school."

WHO DO YOU KNOW?

Our vision is that every public school in the nation would have a dynamic Bible program taught DURING their school day. We need help expanding awareness of the opportunity for communities to bring the Bible to their local public school.

Who do YOU know that could be a catalyst for getting a program started in their community? Perhaps a passionate parent or grandparent, a retired teacher, or a church ministry leader? We are ready to equip them! Please give Kristi Tatro a call at 513-364-7864 or email her at kristitatro@bible2school.com.

LOOKING FORWARD TO 2026/27:

We are currently in conversations with leaders in Kentucky, Indiana, Massachusetts, Montana and South Carolina to start Bible2School programs in their communities.

We also anticipate our current programs growing as they add 5th and 6th grade classes and reach new schools in their school districts!
